

I'm not a bot

Last Updated on September 26, 2023 by The RV world is diverse with various campers, travel trailers, fifth wheels, toy haulers, and other such camping vehicles. There is a huge number of manufacturers who produce these campers and trailers for the sake of customers who love to spend their vacations somewhere far off by camping to have some fun. Prime Time is also one of the manufacturers who are providing the Avenger travel trailer for its customers.Prime Time Avenger ReviewThe Avenger travel trailer by Prime Time is a successful series of the brand. Each little detail of the Prime Time Avenger travel trailer has been painstakingly inspected to ensure consumer loyalty. The Avenger makes them interesting outside highlights, similar to the outside hot/cold shower, and the blue LED outside speakers, the LED-lit power overhang, the pup D-ring, and the open-air kitchen on select models.The powder-covered I-bar outline, full-length outriggers on the outline, aluminum outside skin, and R-7 protection give long haul quality, and the super climate bundle will guarantee that you can go during a wide range of climate conditions. The enormous, completely vented windows will keep your trailer brimming with outside air, and the windows add more beauty to its layout inside.You can utilize the USB ports to charge your phones, and there is additionally some enormous under-bed storage so that you can store your stuff. With a Bluetooth theater setup, the party can go the entire evening, and the in-floor ducted hotness will keep you similarly as warm in your trailer as you are in your own home. We can keep talking about its features, but its better that we list the basic and common features in Avenger travel trailers.Exterior Features:Aerodynamic Radius Front Profile4 Stabilizer JacksSolar PrepSpare TireRadial TiresLP Bottle CoverLED Lit Power AwningSolid Stance Fold Down StepsHot/Cold ShowerDOT Approved Safety Glass WindowsFolding Grab Handle at Main Entry(2) 20# LP BottlesBack-Up Camera PrepBlack Frame Radius WindowsDoggy D-RingGravity Fresh tank FillRadius Entry Doors with WindowsBottle Opener at Main EntryExtended Drip SpoutsOutdoor KitchenBlue LED Outside SpeakersFully Vented Windows ThroughoutDiamond Plate Front Rock GuardCity Water FillInterior Features:Designer Window TreatmentsResidential Extended Ball Bearing Drawer GuidesUSB Ports at BunksLED Interior LightingLarge Fully Vented Windows ThroughoutUSB Charging PortsRoom and Dining AreaJackknife SofaLED Cup HoldersOversized MAX SlideMassive 87 U-Shaped Dinette in MAX SlidesSeamless Carefree Congoleum FlooringPleated Black Out Night Shades in LivingPreDrilled and Screwed CabinetryAvenger Advantage Package (Mandatory)Radial TiresBack-Up Camera Prep (N/A LE Models)High Rise Kitchen FaucetDynaspan 5/8 Seamless Floor Decking 25 Year WarrantySolar PrepKitchen BacksplashLED Interior Lighting(2) 20# LP tanksBlue LED Outside Speakers5 LVL Headers Above SlideoutsDexter EZ Lube AxlesExterior Hot/Cold ShowerLED-Lit Power AwningSolid Stance Fold Down StepsLarge 17 OvenFully Enclosed UnderbellyConstructionAluminum Exterior SkinR-7 Insulation ThroughoutOne-Piece TPO Roof MembraneWalk-On Roof with 3/8 DeckingPEX Plumbing SystemPowder Coated I-Beam FrameFull-Length Outriggers on Frame8 Exterior Width2x3 Floor Joists on 16 CentersSafety EquipmentCO DetectorLP DetectorFire ExtinguisherSmoke AlarmLeak-Guard Assurance ProcessBedroomTV Cable ConnectionDual Shirt ClosetsExtra Large Enclosed Overhead Cabinet Above BedMassive Under-Bed StorageBedside USB PortBedside 110V Power OutletsKitchenThermofoil Seamless CountertopPot & Pan DrawerUndermount Stainless Steel Deep Basin SinkStainless Steel Rolling Drying RackBacksplashHigh Rise FaucetBathroomsShower Pans in All ModelsMedicine Cabinet with MirrorShower Curtains with Curved TrackShower SurroundGlass Neo-Angle Shower (Select Models)12V Power Vent FanAppliances and Equipment13,500 BTU Air ConditionerFlush Mount Glass Range Top CoverWater Heater BypassSystems Monitor PanelLarge LED TVWiFi PrepCable TV Hook-Up with RG6 CoaxLarge 17 OvenExterior TV Coax ConnectionBluetooth Entertainment SystemLarge Everchill 12V Refrigerator12V Electrical System30 amp PowerDigital TV Antenna with Signal Booster25Kor 30K BTU Furnace (depending on model)Fireplace3-Burner Range with High Output Front BurnerAuto Ignition Furnace with Wall Thermostat12V High Capacity Water Pump110V GFCI ProtectedPrime Time Avenger Travel Trailer FloorplansThe above-mentioned features are found in all of the Avenger travel trailer models with optional choices. Each of the trailers can have different specs from the other. Its time to see more details about some of the common floorplan models of the Avenger travel trailer.1. Prime Time Avenger 21RBSThis Avenger travel trailer model furnishes a group of six easily for a goodnights sleep with a sovereign size bed in the private room. This post contains SPOILERS for Avengers #65 In the latest issue of Marvel Comics' Avengers, the mysterious Avenger Prime has revealed himself to be the multiverse's ultimate version of Loki who once took on every major villain and lived to tell the tale. With the Army of Doom arriving to claim the power to rewrite existence known as the God Quarry, Avenger Prime shares his story in the hopes of gaining their trust before the major battle that's still to come. In the new Avengers #65 from Jason Aaron and Javier Garrn, the latest chapter of Aaron's ongoing Avengers Assemble event reveals the truth about Avenger Prime. This new version of Loki confesses he's on a mission of penance. In his own reality, this variant of Loki prevented the creation of his world's Avengers. However, this inadvertently forced the God of Mischief to face every major Marvel villain the Avengers would have faced including Thanos, Galactus, Gorr the God Butcher, and more. Loki's Avenger Prime Created The Ultimate Villain Showdown Remarkably, it's confirmed that this new Loki battled all of his world's villains and actually emerged the victor, stretching his skills and sorcery to their very limits. Considering the power levels at play with all of these cosmic foes and beings, Loki would have had to become the most powerful being in his entire reality to have a prayer at beating all these villains simultaneously, and Avenger Prime confirms he was. However, the tragic cost was the destruction of his entire world, a payment that darkly makes sense. Although Loki tried to throw himself into the sun due to his massive guilt, Loki instead found himself at the God Quarry at the end of infinity. Despite praying for oblivion, it was decreed by this immense source of cosmic power that Loki would serve his penance before dying would be added, tasked with assembling the greatest version of Avengers from across realities to protect the multiverse itself as the new Avenger Prime. It seems the God Quarry has an ironic sense of humor. However, Lokis have been officially confirmed as multiversal constants, the predominant reason why Avengers assemble across countless realities. As such, it makes sense that the ultimate Loki would bring together the Multiverse's Mightiest Heroes after defeating the most dangerous villains the Marvel Universe has to offer. Avengers #65 is on sale now from Marvel Comics. Next: Loki Permanently Defeated Captain America (The Cruellest Way Possible) The Prime Time Avenger is a travel trailer designed to provide maximum customer satisfaction and enjoyment. It features an aerodynamic smooth front metal for a smoother tow, a diamond plate front rock guard, and a fully walkable roof for added durability. The Avenger also offers a stylish kitchen backsplash, an outdoor kitchen, a private bedroom, and a rear bathroom. While some customers have praised the Avenger's floor plan and features, others have reported issues with water damage, leaking, and rot. Overall, the Avenger has received mixed reviews, with some considering it a good camper, while others have had negative experiences.CharacteristicsValuesCustomer satisfactionMixed reviewsQualityMixed reviewsDurabilityMixed reviewsPriceMSRP: \$39,208Sleeps6Length30 ftWeight6288 lbsFeaturesBunkhouse, Outdoor Kitchen, Dual Ducted A/C, Power Stabilizer Jacks, Front Queen Bedroom, Large Slide with Sofa and Dinette, Rear Bath, 78" Theater Dinette, Walk-in PantryThe Avenger has a good floor plan and a spacious interiorThe Avenger has been designed with a focus on customer satisfaction and enjoyment, and this is reflected in its floor plan and spacious interior. The Avenger travel trailer has been carefully crafted, with each component and process undergoing rigorous testing and innovative construction techniques to ensure long-term quality and durability.The floor plan of the Avenger is a standout feature, offering a roomy and functional space. The kitchen is well-equipped, with lots of cabinets and a stylish backsplash, providing a homely feel. The bedroom is acceptably sized, with a good-sized dresser, and the bathroom is also spacious. The inclusion of a walk-in pantry and outdoor kitchen in some models further enhances the sense of space and functionality.The attention to detail in the Avenger's construction is evident in the seamless Congoleum flooring, which not only adds to the aesthetic appeal but also makes cleaning and maintenance easier. The aerodynamic smooth front metal and fully walkable roof contribute to both the sleek design and improved towing performance. The diamond plate front rock guard provides added protection during travels.The Avenger's spacious interior is further emphasized by the inclusion of bunk beds, a large U-shaped dining table, and a front queen-sized bedroom in some models. The dual-ducted AC and power stabilizer jacks contribute to a comfortable climate-controlled environment. The private bunkhouse and outdoor kitchen options provide additional flexibility for families and those who enjoy cooking outdoors.Overall, the Avenger by Prime Time RV offers a well-designed floor plan and a spacious interior, maximizing customer satisfaction and enjoyment. The combination of innovative construction, quality craftsmanship, and attention to detail ensures a positive RV experience for both new and experienced campers.It has a stylish kitchen, a walk-around bedroom, and a great bathroomThe Prime Time Avenger is a stylish and functional camper trailer. It boasts a sleek and modern kitchen, a spacious walk-around bedroom, and a well-appointed bathroom.The kitchen is a highlight of the Avenger, with its stylish backsplash and premium countertops. It offers a large double-door refrigerator, plenty of cabinet space, and the unique outdoor kitchen option, perfect for cooking under the open sky. The seamless Congoleum flooring and premium fabrics used throughout the camper add to its stylish and elegant feel.The bedroom is designed with comfort and practicality in mind. It features a walk-around design, allowing for easy access and ample space to move around. The under-bed storage is a convenient feature, providing plenty of room for luggage and other essentials. The mattress, while as expected for camper comfort, can be enhanced with an additional one for a plusher feel.The bathroom is well-equipped and functional. However, one user noted the lack of a wall switch for the fan, requiring a stool to reach and turn it on. The bathroom counter trim was also mentioned as an issue, with some users experiencing shrinkage and peeling over time.Overall, the Avenger offers a stylish and comfortable camping experience. While some users have reported issues with leakage and rot, the company has demonstrated a commitment to quality and customer satisfaction, implementing rigorous quality assurance measures and offering a comprehensive 125-point checklist to ensure the best possible product.The Avenger is easy to set up and has a dual axle with no slidesThe Prime Time Avenger is a good option for those looking for a camper that is easy to set up and has a dual axle with no slides. The Avenger travel trailers are designed with innovative construction and "Best in Class" features to maximise customer satisfaction and enjoyment. The aerodynamic smooth front metal, diamond plate front rock guard, and fully walkable roof all contribute to a more durable and towable camper.One of the standout features of the Avenger is its ease of setup. With no slides, the Avenger offers convenience and simplicity when it comes to setting up camp. The dual axle design also enhances stability and handling, making it a capable and reliable option for your camping adventures.While some owners have reported issues with water damage and leakage, others have praised the Avenger's floor plan, roominess, and well-equipped kitchen. The bedroom and bathroom spaces are also notable, with a good-sized dresser and functional features.The Avenger's construction and quality are further enhanced by the use of rigid hand-crafted doors, premium fabrics, flooring, and countertops. The seamless Congoleum flooring is not only stylish but also easy to maintain and keep clean. Prime Time Manufacturing's commitment to quality is evident in their rigorous Customer Assurance Inspection (CAI) process, which involves a comprehensive 125-point checklist to ensure every RV meets their high standards.Overall, the Prime Time Avenger is a solid choice for those seeking a camper that is easy to set up and has a dual axle with no slides.
