Course Application

Agribusiness Management – Intermediate In Rules

Start Date: 15 April 2015
 Assess Date: 15 April 2015
 Expiry Date: 15 April 2015

Duration: 60 minutes
 Start: 15 April 2015 at 08:00 AM
 End: 15 April 2015 at 09:00 AM

Course Description

The Intermediate level of the Agribusiness Management course is designed to provide students with a solid foundation in the principles and practices of agribusiness management. This course is designed to provide students with a solid foundation in the principles and practices of agribusiness management.

This course will provide students with a solid foundation in the principles and practices of agribusiness management. This course is designed to provide students with a solid foundation in the principles and practices of agribusiness management.

If you are interested in this course, please contact the course administrator for more information.

Course Objectives

After completing this course, students should be able to: understand the principles of agribusiness management; identify the key components of an agribusiness; and apply the principles of agribusiness management to a real-world scenario.

Course Content

The course content includes: an overview of the agribusiness sector; the role of the government in agribusiness; and the principles of agribusiness management.

Course Assessment

Students will be assessed on their understanding of the course content through a series of multiple-choice questions and a final exam.
